USE AND PIN LEARNING OR WELLBEING MEDIA

Keep useful learning material within reach for later work

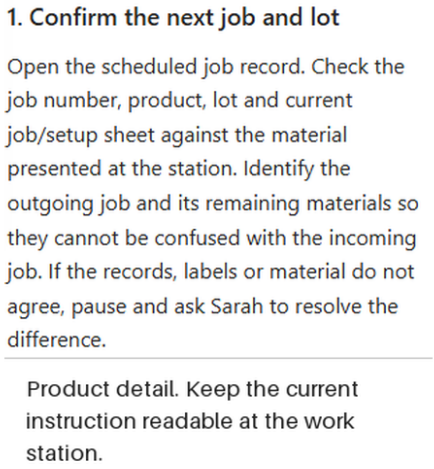

Pin published media to the library with its transcript or media link so employees can return to the material they want to use again.

Read or play available media > Pin to library

SkillSmith · Open a short resource with its session notes

SkillSmith · Keep the current instruction readable beside the work

Open a short resource with its session notes

Pay only when you see results

YOUR TEAM / THE DECISIONS THAT MATTER

Who can use this product method

The method keeps the stated role and access scope. Your team confirms the people involved.

Your role	The contribution	SkillSmith support
Permitted employee	Read or play available media and Pin to library	Use the method within the permitted scope for the selected information.

Use the saved item as a reference for learning

In a worked example, a saved media item helps the person revisit material; it does not by itself record a passed learning check or practical qualification.

WORKED DECISION

Decision point	Information to use	Responsible next step
Inputs to review	Published media and Transcript	Read or play available media.
Method action	Media link	Pin to library.
Result to inspect	Learning material and Library item	Inspect the available result within the permitted scope.

Review the selected material, this occurrence's response and any conditional follow-up.

CONNECTED WORK / PREPARED PLAYBOOKS

Review the available actions and the result within the method's stated scope.

Use and pin learning or wellbeing media

The employee can return to the chosen resource.

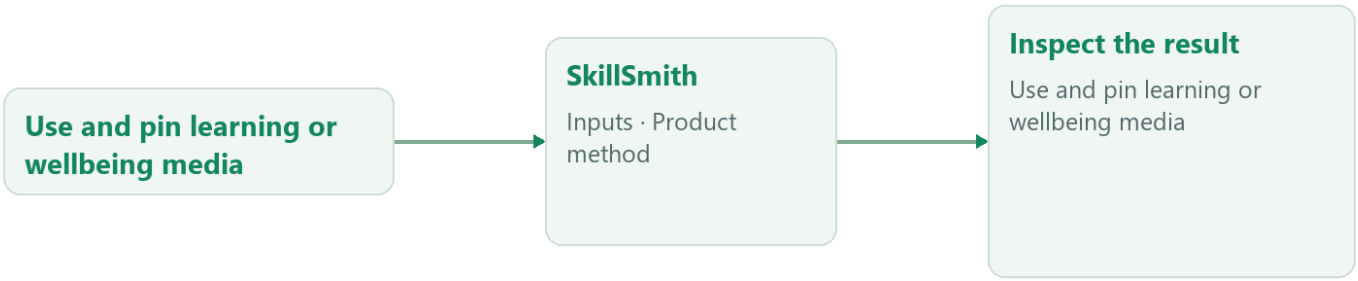

Keep useful learning material within reach for later work

YOUR INFORMATION / CONNECTED WORK

The materials that make this method usable

Keep the relevant material available at the point it is used. The resource choices below support different parts of the work.

Your work context > SkillSmith > Your next contribution

Use and pin learning or wellbeing media Learning or a useful pause is wanted	Learning material and Library item.

YOUR DELIVERY PLAN / OUR TEAM

Set up a useful first example

Start with the materials and people you already have. We help make the setup choices explicit before your team uses the method.

01 Choose the working inputs

Review published media, transcript and media link.

02 Agree who will use the method

Confirm the relevant people and their permitted scope: Permitted employee.

03 Try the useful actions

Read or play available media and Pin to library.

Prepare the method for your team

What can we inspect after using this method?

The method provides learning material and library item. The employee can return to the chosen resource.

Who uses this method?

The permitted roles are Permitted employee. Confirm the people and their access for the selected example.

Which choices do we need to make first?

Review published media, transcript and media link. Use those choices to prepare the first example and its permitted scope.

Which published material should the employee pin for later use?

A saved media item helps the person revisit material; it does not by itself record a passed learning check or practical qualification.

WHY SKILLSMITH / YOUR NEXT STEP

Bring your work; we help prepare the method

We work with your team to organize the source material, responsibilities and review choices. Start with one useful example, then carry the agreed method into everyday work.

Without connected follow-through	With SkillSmith
Useful learning material is difficult to return to when it is needed.	Open the available learning material and session notes, and pin the published resource to your library for later use.
The current status hides which response or version came before it.	Follow work history, resource versions and recorded decisions.

Walk through this method with us

Bring one real example and the information needed for this method. We will walk through its actions, result and permitted scope.
